

Term 4	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10
Maths	Patterns & Algebra		Fractions & Decimals		Fractions & Decimals		Data		Time	
	Cartesian Plane		Fractions, decimals, percentages		Percentage discounts		Interpret data displays in context (late)		12 and 24h time Timetables	
	Angles		2D Space		Addition & Subtraction		Chance			
	Measure, construct, find angles		Transformation Geometry		Create financial plans		Frequencies			
English	<p>Imaginative Texts Focus: Students are exposed to a range of multimodal texts that demonstrate an element of fiction. They experiment with text structures and think imaginatively when composing more complex texts appropriate to audience and purpose. They identify the impact of first- and third-person narration, and discuss how their own texts have been structured to achieve a purpose. Students recognise that ideas can be conveyed from different viewpoints. They recognise how aspects of personal perspective influence responses to text. Students reflect on their learning and achievement against specific criteria.</p>									
HSIE Geography	<p>Geography: Factors That Shape Places Focus: Students investigate how people change the natural environment in Australia and other places around the world. They also explore how the environment influences the human characteristics of places. Students examine ways people influence the characteristics of places, including the management of spaces. Students explore the impact bushfires have on Australian people, places and environments and propose ways people can reduce the impact of bushfires in the future.</p>									
	<p>Inquiry Questions How do people and environments influence one another? How do people influence places and the management of spaces within them? How can the impact of bushfires on people and places be reduced?</p>									
Science & Technology	Earth and Space					Digital Technologies				
	How do sudden geological changes and extreme weather events affect the Earth's surface?					How do components of digital systems interact with each other to transmit data?				
Creative Arts Visual Arts, Music, Dance & Drama	Drama					Visual Arts
